

The background of the slide is a large, faded logo for California Little League District 61. The logo is circular with a blue outer ring containing the text "California" at the top and "District 61" at the bottom. Inside the ring is a white silhouette of a person in a dynamic pose, possibly a baseball player, with a red and white baseball bat. The text "Little League" is written in a stylized font across the figure.

## REGULATION AND RULE CHANGES FOR 2007

Changes adopted at the Aug. 25, 2006 meeting of the Little League International Board of Directors are noted in red

### Item 1 – All Divisions

#### REGULATION I (c) – The League

Each league shall:

9. Conduct an annual background check on all personnel that are required to complete a “Little League Volunteer Application” prior to the applicant assuming his/her duties for the current season. No local league shall permit any person to participate in any manner, whose background check reveals a conviction or guilty plea for any crime involving or against a minor. A local league may prohibit any individual from participating as a volunteer or hired worker, if the league deems the individual unfit to work with minors. **A local league must conduct a nationwide search that contains the applicable government sex offender registry data. (Note: The United States Department of Justice National Sex Offender Public Registry is free and available at [www.nsopr.gov](http://www.nsopr.gov). Information on conducting a more thorough background check at a nominal cost can be found on the Little League website, or at <http://littleleague.choicepoint.com>.)** **If no sex offender registries exist in a province or country outside the United States the local league must conduct the more extensive of a country, province or city- wide criminal background check through the appropriate governmental agency unless prohibited by law.** Failure to comply with this regulation may result in the suspension or revocation of tournament privileges and/or the local league’s charter by action of the Charter or Tournament Committee in Williamsport. If a local league becomes aware of information, by any means whatsoever, that an individual, including, but not limited to, volunteers, players and hired workers, has been convicted of or pled guilty to any crime involving or against a minor, the local league must contact the applicable government agency to confirm the accuracy of the information. Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, the local league shall not permit the individual to participate in any manner.
